

Bible Study Methods

Wrapping It Up

What were your biggest takeaways from this study?

Which areas have already made the biggest impact in your personal Bible Study?

What new or deeper insights have you gained in Philippians?

- Read, reread, and read again.
 - There is no short cut for Bible study.
 - The best thing you can do to grow in your Bible study abilities is to be an avid reader of Scripture.
 - My advice would be to have sections you are reading and sections you are studying.
 - Bible reading plan
 - Camping out in a passage for a period of time.
- Make a routine.
 - Figure out which time of day works best for you to sit down and focus on study.
 - Find the system that works best for you:
 - Highlighting & underlining.
 - Taking notes.
 - Computers.
 - Continue at it—it takes time and is a learning process.
- Take the Scripture and apply it to your heart and mind.
 - Ask what the application of the passage is?
 - Required actions.
 - Change of thoughts/mindset.
 - Deeper understanding.
 - Hebrews 4:12
 - The ultimate goal of reading the Bible is to know God better and become more like Christ.
